CITY CLERK

Karrum,

I already stated in my e-mail that both Pat and I would be there on the 8th to discuss the health insurance.

Thanks Mayor. I think it would be beneficial to everyone if Pat was there on the 8th as well, if possible , to answer any questions the rest of the council has also.

Subject: RE: Insurance Rates

Karrum,

I would be happy to review our decision to continue our health insurance with Anthem. I will also have Pat Carney (ONI Risk Partners) come to discuss the process we use for the insurance renewal each year. We will be at the June 8th meeting to discuss.

Subject: Insurance Rates

Mayor

I have been getting calls today regarding the headline in the newspaper with the rates going up for health insurance for city employees. Could you prepare some information for the June regular meeting to explain how the decision was made to continue with Anthem?

Thanks
Karrum
