Subject: Updated Petition Opposing Rezoning East End Apartment Complex

FILED

CITY CLERK

Dear Terre Haute City Council Members,

There are now 100 who have signed this electronic petition indicating their opposition to the rezoning of the area near Deming Park.

We live on the city's east side and/or we recognize the importance and significance to Terre Haute of the area surrounding Deming Park. We strongly oppose the rezoning and the development of apartments on the 15-acre tract of land bordered by Adams Blvd., Poplar, and Fruitridge, aka Beau Monde, for the following reasons:

* The construction of apartments will diminish the value and quality of the Ohio Boulevard-Deming Park Historical District - a community asset.

* Over population will exacerbate existing traffic problems in the area. The area serves as a significant recreational area for walking, running, and biking.

* Home values will decline with the increased traffic and with the increase in noise.

* It boils down to a fundamental question of what we value as a community and a neighborhood.

* Any development needs to mirror the character of the surrounding area, which currently means home ownership.

* We do not wish to experience what Woodgate experienced, or is experiencing, as a result of the apartment complex that was placed next door to them. Our understanding is this complex resulted in a decrease in property values and an increase in burglaries and thefts, an increase in noise, and a litter/trash problem.

* Renters simply do not demonstrate the same behavior in caring for property, as is demonstrated by homeowners.

Please do not rezone this location as an R-3.

Thanks you for your consideration of this matter.
