That will work. Can you share it with the entire council?

Thanks
Neil

If so, a portion of the legal fees was for this litigation but my staff will have to pull all the legal claims paid and read the invoices to break out that amount. It will take a little while.

The sludge to diesel contracts. I would like to know the legal fees associated with us not having to pay what was agreed upon. Is this more clear now?

Thanks

>>> Neil,

At last week's budget meeting you asked for the total received in 2016 for Wastewater hauling, it is $64,301.60. This is the total received so far from work done in 2015 for other communities and our current contracts with Riley and West Terre Haute. Please let me know if you have any other questions.
