Subject: Casino Proposal

Dear Council Members,

As a lifelong Vigo County resident, I would consider a casino in Terre Haute to be a tragic blight on our community. Having witnessed gambling addiction in a family member, I can testify to its adverse effects on the economic, physical, and familial well-being of citizens.

I strongly urge you to reject this casino proposal in favor of more wholesome economic development projects. Our community and state can do better.

Thank you for your time and consideration.

Respectfully,

Elizabeth Anderson
