To our City Council of Terre Haute-

Please vote YES for rezoning 1930 S Center Street so that it can be the location for Magnolia Rose Aesthetics.

These wonderful people have chosen careers which allow the community to raise their standard of living. No matter what a client's circumstances are this group provides comfort, care, compassionate service. I was being continually advised to have my teeth pullout and to have dental implants put in place because my teeth were in pain and getting worse. After visiting multiple dentists, doctors, and orthodontists and went to the nurses and Magnolia Rose, who realized that my maseter (jaw muscles used for opening and closing your teeth and mouth) muscles where very large for my jaw, helped me be able to eat, sleep, and move much more freely through out my life because I was no longer in constant pain. I no longer wake up with a sore jaw and severe headaches. I get to keep my teeth and not have to live under extreme dental bills.

These people who have built this business and living the small town American dream and encouraging others to do the same.
