Re: Special Ordinance 20, 2022 - Opposition

I am writing in opposition to the Special Ordinance NO. 20, 2022 to vacate a portion of a public way located in the city of Terre Haute, Vigo County, Indiana. The petitioner is requesting the closure of a section of 27th street between Wilson Street and Oak Street.

Twenty Seventh street is the only street granting access to cross over between Wilson and Oak to go northbound without having to travel down to 25th Street or to 29th Street.

Houses built at a street intersection is a common occurrence throughout Terre Haute. The intersection of the two streets was evident when the couple recently purchased this property. It is unfortunate that the circumstances are not as they had dreamt but it is not sufficient reason to put all other neighboring residents at a disadvantage.

Per her post on Facebook dated July 8th she states, "I am only thinking about the safety of my partner, child and growing family." There are other options to ensure their safety which will not impact the safety, convenience and lifestyle of many other neighbors and local residents.

Thank you for offering me the opportunity to express my opposition regarding Special Ordinance 20, 2022. Please forward this email to each of the nine city council members.
