RE: MVH Transfers of Funds

I have requested these transfers for the following reasons:

In MVH I need to move \$2,500.00 from Principal On Notes to Office Supplies. We would use this additional money to pay for employee retirement farewells and special employee gatherings. This money is being replenished from the sale of scrap. Principal On Notes was put into the budget this year to pay the principal payment for the dump trucks we have leased but this was already paid with the 2023 budget.

In MVH I need to move \$90,000.00 from Principal On Notes to Purchase of Equipment. We have not been able to purchase any new pick-up trucks since 2019. Due to accidents/deterioration we have lost five pick-up trucks from our fleet. This transfer will get us two new pick-up trucks. Principal On Notes was put into the budget this year to pay the principal payment for the dump trucks we have leased but this was already paid with the 2023 budget.

In MVH I need to move \$21,000.00 from Interest on Notes to Longevity. There was only \$5,500.00 budgeted into Longevity for this year. The Street Department is needed a total of \$26,500.00 to cover Longevity cost that will be paid out in November. Interest on Note was put into the budget this year to pay the interest for the dump trucks we have leased but this was already paid with the 2023 budget.

Professionally,
