Dear Michelle Edwards,

I have enclosed the Warren Village, L.P. CF-1 real property form for 2025 pay 2026, as well as a copy of the original SB-1 form. We will be seeking tax abatement for this time period based on the Form 11 notice property assessment value of \$3,067,100.

While reviewing our forms, I would kindly request that you take some additional information into account.

Our CF-1 shows nine retained employees and the total of their annual salaries. The retained employees are a full-time property manager, two full-time maintenance employees, and six employees that are allocated to Warren Village on a part-time basis: four for application admissions processing, one for inspections and one for debt collections. I have enclosed a copy of the spreadsheet listing the positions and total salary number presented on the CF-1.

In 2025, we hired a landscaping technician for grounds maintenance at the property during the mowing season. We intend to do the same during calendar year 2026. These positions were not included in the employee count or salary total noted on the CF-1.

The Terre Haute Housing Authority's (THHA) personnel complete the property's administrative tasks: e.g. payroll, accounts payable, tenant receipt posting, compliance reporting, and audit assistance. The THHA is reimbursed for their services through monthly fees, so they are not included in the employee count or the salaries reported.

This property is new-construction and mod-rehabilitation. At this point, we have not experienced high turn-over or extensive repairs. As the property ages, we will add to the maintenance staff for Warren Village to uphold the standards we have set for this community.
