CITY CLERK

Hi Michelle,

I created a website to collect signatures on a petition in opposition to the apartments across from Deming Park. The system is programmed to email to just you every time another 25 people sign. Please forward to the City Council Members. We are now up to 97 people, so you should have received three emails so far from: petitionoppositioneastside@thunderboltprocurement.com

When you get the forth email, after we cross 100, could you email me back a copy? Also make sure your email doesn't block this email address thinking it is junk mail.

Here are the two web pages involved in the system if you would like to take a look at them:

<https://thunderboltprocurement.com/EastSideApartments/Enter.php>

<https://thunderboltprocurement.com/EastSideApartments/StatusPage.php>

Thanks,

Kevin Barr

Hello,

I have forwarded your email to the Council. Please let me know if I can help in any other way.

Thanks!
Michelle

Subject: Apartment Complex - Rezoning East End

Dear Terre Haute City Council Member,

I live in Edgewood Grove on the city's east side. I strongly oppose the rezoning and the development of apartments on the 15-acre tract of land bordered by Adams Blvd., Poplar, and Fruitridge, aka Beau Monde for the following reasons:

- The construction of apartments will diminish the value and quality of the Ohio Boulevard-Deming Park Historical District - a community asset.

- Over population will exacerbate existing traffic problems in the area. With all due respect to the south end, we don't want to be like the south end.
- Home values will decline with the increased traffic and with the increase in noise.
- It boils down to a fundamental question of what we value as a community and a neighborhood. It appears to be an attempt by a few to profit at the expense of the many.
- We do not wish to experience what Woodgate experienced, or is experiencing, as a result of the apartment complex that was placed next door to them. My understanding is this complex resulted in a decrease in property values and an increase in burglaries and thefts, an increase in noise, and a litter/trash problem.

Thanks you for your consideration of this matter.

Sincerely,

Kevin Barr
