Subject: City of Terre Haute, Indiana – Real Property Tax Abatement Recipient,  
RS 18 2017

Ms. Edwards,

This letter is in response to your letter dated February 16, 2018 and our conversation of April 3, 2018 regarding the subject Real Property Tax Abatement. The new warehouse building at 40 South 10 ½ Street which is the subject of the abatement is currently under construction. The anticipated occupancy date is June, 7, 2018 which may change due to weather conditions and/or the construction schedule.

At your direction the compliance forms requested by May 15, 2018 are not required until 2019CY since our improvements to the property will not be completed until sometime during the 2018CY. We respectfully request the submission due date in 2019CY for the compliance documents.

We look forward to your response and appreciate your guidance regarding this project.

Sincerely,

Kenneth Senseman
