I will plan to attend Martha. I can either participate or support the event from the audience.

Thanks

Thanks Martha for the invite, but I've scheduled studio time on that evening. So I will not be able to attend.

Thanks again.

Hi all. In conversation with a couple of my constituents and Curtis I have decided to hold a meeting in my district – sort of a listening session – rather like the Clabber Girl event earlier this year. I hope it will be mostly citizens expressing their concerns. We'll see where it takes us.

It will be held at the Booker T Washington Community Center at 13th and College at 7pm on Thursday, May 24. I have already asked Curtis to join as he lives in my district. That would leave 2 spaces open without any concern about violating Open Meetings. If you would like to join us, please let me know. I think the previous plan of having the first 2 to reply at the meeting is easy.

I don't want to confuse things by putting out info before the primary election (too many candidate nights) but will start promoting after the primary. I have started telling people though. So – it is no secret.

Thanks.
