Hello,

My name is Claire Craigmyle and I am a lifelong resident of Terre Haute. I love my city and the citizens who live here. I would much rather see our tax dollars go to supporting citizens in need than locking them up. I am reaching out because I hope you will consider using the funds discussed today for programs that will help keep people out of jail. Programs that would erase the needs that cause crime to happen.

I think the money would fight crime better if it went to actually meeting the needs of our community. I hope you will think about putting the funds into drug rehabilitation, mental health services, and homelessness intervention.

I urge you to invest in care, not cages

Thank you,
Claire Craigmyle
