## GETTING THERE ON TIME / LATE VEHICLE / ACCOMMODATIONS

### HOW DO I RIDE WHEELS TO THE WORLD?

It is Terre Haute Transit's goal to provide the greatest number of customers with prompt, efficient, friendly service. Following are ways you may help us serve you:

- Make reservations as early as possible, up to 14 days in advance, but no later than the day before you wish to ride.
- If other customers get on or off the vehicle before your stop, it may be necessary for you to temporarily move.
- A customer may not refuse to ride with other customers.

Because you may share a vehicle with other customers, we suggest you:

- 1) allow a minimum of 1/2 hour to reach your destination;
- 2) allow for time spent picking up and dropping off other customers before reaching your destination;
- 3) Be prepared for delays due to traffic or bad weather;
- 4) Plan your trip. For example, if you must be somewhere at 10:00 a.m., schedule your pickup for 9:30 a.m.

When scheduling a return trip, please consider any unexpected delays you may encounter. For example, if you expect to be ready at 3:00 p.m., please ask for a 3:30 p.m. return time. It is better to wait a few minutes than miss your scheduled ride.

- If you miss the vehicle for your scheduled ride, please call the Wheels to the World number 812-235-0109. Another vehicle will be sent as soon as possible. However, it may take up to two hours to dispatch another vehicle.

### WHAT DO I DO IF MY VEHICLE IS LATE?

If a Wheels to the World bus is more than 15 minutes late for your scheduled pick-up, please call the office at 812-235-0109 and a dispatcher will check the arrival time.

### HOW CAN WE ACCOMODATE YOU?

- 1) Carry-on packages are welcome, but no Hazardous Materials allowed.

The driver can assist with packages on and off the vehicle and to and from the door upon request. Reminder, drivers cannot enter your home.

### Visitors

We provide ADA paratransit for people who need to use the service while visiting the area. If you have documentation from another transit authority certifying eligibility for ADA paratransit, you may use Wheels to the World by showing such documentation. If you have not been certified as ADA eligible by another public entity but either have an apparent disability or present documentation of disability to THTU, paratransit service will be provided to you for 21 days. The 21 days of service that a visitor will receive is calculated as any combination of 21 days during any 365 day period beginning with the visitor's first use of Wheels to the World. Visitors without documentation must notify THTU of their disability and place of a residence to obtain approval by THTU at 812-235-0109.
